

Hardin County Public Library Policy on Exam Proctoring

Purpose

The proctoring of examinations is a service offered by the Hardin County Public Library. The library will offer proctoring services at the Elizabethtown location based on the availability of personnel, facilities and technology to do so.

Fees

There is a flat fee of \$10 cash (no checks) for each exam proctored, regardless of how many parts make up the exam. If you wish to retest any or all parts of the exam at the same sitting, no additional fee is charged. However if you return another day to retest, then the \$10 fee must be paid again. If extensive faxing (more than one page) is involved a fee of \$2.00 per page is required. All fees are payable just prior to taking the exam.

Availability

All full-time librarians are able to proctor exams, as allowed by their work schedule. Tests must be scheduled with the proctor a minimum of 3 days in advance. Tests will be scheduled during the proctor's regular work hours. Tests must be completed 15 minutes before the library closes.

Guidelines

- The student will allow sufficient time to take the examination before the deadline that has been established by the institution.
- The student will be required to present a valid picture I.D. at the time of the exam.
- Proctors will not monitor a student continuously during an exam, but may check on the student periodically. The Library does not guarantee that a quiet study room will be provided.
- Proctors will enforce any time limits that are placed on the exam, as well as other rules set forth in the examination materials. The use of cell phones or visiting with others is prohibited. Any perceived violation of the posted rules for the exam will be reported to the educational institution.
- Tests offered in a computer format must be compatible with the hardware and software available on the Library workstations. Tests taken over the Internet are limited to two hours in duration.
- Prior contact between the testing institution and the proctor is required so that credibility and testing requirements can be verified.
- Librarians cannot proctor exams that students bring in themselves.
- Librarians will not sign a proctoring verification that attests to more than the staff member has been able to do.
- The Hardin County Public Library will not be responsible for any delayed tests, nor for any completed tests once they leave the library's possession and have been mailed back to the educational institution.

- The Library will not be responsible for tests that are interrupted by Library emergencies, power failures, or computer hardware or software failures.
- The Library reserves the right to substitute a proctor in the event of the original proctor's absence.

Responsibilities of the test taker

- Please sign and fill out the top two portions below and return it to the Circulation Desk. A librarian will then contact you to make an appointment to meet and to complete the necessary paperwork your school requires. Copy this form for your use.
- Your school may have specific requirements for proctoring. Check with the proctor to make sure the Library can meet all of the requirements.
- Call prior to your test to make sure the test or login information has arrived. The proctor does not contact you when the exam arrives.
- Provide necessary postage for mailing back the test to your school. Prepare to pay for photocopying charges if you wish to copy the test before it is mailed.
- Arrive promptly at the agreed-upon time, prepared with the items required for taking the test. These may include picture I.D., money, pens/pencils and calculator. Only items listed in the instructions will be allowed in the test area. You are responsible for securing personal items before the test begins.
- Exams not taken by the date on which they were to be completed are either discarded or returned.
